EXPERIENCE & LEADERSHIP

Brand Representative — EventEye (Startup)

Oct 2025 – Present

- Represented the EventEye brand across college campuses, driving outreach and engagement for event-based tech initiatives.
- Coordinated promotional collaborations between EventEye and student communities, supporting audience growth for startup-led campus events.
- Represented EventEye as brand delegate at an inter-college event hosted at VGU, Jaipur, extending the startup's outreach beyond the home campus.

Core Member — Google Gemini Innovation Club (GGIC)

2025 – Present

- Contribute to AI and automation-focused club initiatives, supporting the planning and execution of workshops and hackathons.
- Conducted candidate interviews for club recruitment and assist in planning upcoming technical events and sessions.

Google Student Ambassador

Aug 2025 – April 2026

- Promoted Google developer tools and learning resources among campus students, encouraging adoption of hands-on learning programs.
- Coordinated study sessions and resource-sharing initiatives to support peer learning in technology.

ACHIEVEMENTS & ACTIVITIES

- Secured 1st Position in the Inter-Hostel Cultural Competition, LPU (December 2025).
- Participated in HackManthan, a competitive hackathon, building problem-solving and rapid-prototyping skills (October 2025).
- Volunteered in the organization and execution of HackManthan, supporting event logistics and participant coordination.
- Recognized with multiple Olympiad awards during secondary education.
